

Annual PSOS Seminar -- August 24, 2013

Glen Decker, owner and operator of Piping Rock Orchids was the featured lecturer for the seminar. He is well known for his hybrids and is an accredited judge of American Orchid Society.

His morning lecture was on "Successful Growing and Culture of Slipper Orchids". In the afternoon session he spoke about *Phragmipedium kovaachii* culture and hybridizing.

Glen brought a big selection of *paphiopedilum*, *phragmipedium* and other orchids for sale.

Many questions were ask by members about the hybrids and species offered for sale.
